

TECHNOLOGY COMMITTEE

MEETING DATE: Monday, August 24, 2009

MEETING TIME: 5:30 – 7:00pm

MEETING PLACE: Deerfield High School Commons

PRESENT: Jeff Winkler, Jim Haak, Doug Cwik, Amie Martin, Nathan Hruby, Steve Feitz, Vicki Borger, Barb Callahan

- 1. Status of Deerfield Technology Plan:** The Plan Status was presented by Barb Callahan. The Plan has been submitted and reviewed by DPI – we need to make a few minor additions and the Plan will be completed.
- 2. Summarize the Technology Purchases For 2009-10:** New computers for Technology Education have arrived and are waiting for the final software to be delivered. 6 Staff computers have been upgraded to match the other current staff computers. Netbook Cart with 24 computers has been received which means there are 3 Netbook Carts in the District, with one assigned to each school(DES, DMS, DHS). Mimio Smartboard technology has been purchased for the High School and 2 LCD Projectors w/cart have been purchased for the District.
- 3. Policies for Technology:** Barb will investigate the specific policies that still need to be developed based on our current Technology Plan. These will be forwarded to the Policy Committee for final development.

The next meeting is scheduled for Monday, October 5th, 5:00 – 6:30pm at the Deerfield Elementary School IMC.
