

# **Deerfield Schools 4K Learn and Play Program**

## ***Providing 4 a Great Beginning***

Every child in Deerfield should be provided the opportunity to have a positive early learning experience.

Important components of our program include:

- Play-based curriculum
- Hands on learning experiences
- Providing a variety of ways to learn
- Voluntary participation by families and providers
- Building Kindergarten readiness skills
- Safe, friendly environment for children to learn
- Opportunities to interact with peers
- Developing language and social friendship skills
- Support networking between parents, school and community programs
