

## **Attention 4K Parents: Important Information...Please Read**

October 1, 2010

Dear 4K Parents/Guardians:

Friday, October 15, is our date this year for homecoming. This date is set on our calendar to be a 1:20 Early Release day for our district. Since this is the case, we will run Morning 4K at the regular scheduled time, **but there will be NO afternoon 4K classes at Holland's Hearts and Hands and at the elementary school on October 15.** Buses will run exactly as they would for the morning class. If you have any questions, please contact Mr. Becker at the elementary office.

Sincerely,

Mark Becker  
Elementary Principal
