

Extra Curricular Committee Meeting  
January 18, 2010  
5:00 PM

Members Present: John Polzin, Sandy Fischer, Shelley Mack

Agenda Items:

1. WIAA Football Division Proposal:

WIAA is looking to change the Divisions for Football to level the playing field for schools of similar size within similar conference. Small schools never had a chance to get into playoffs. Some negatives possible are the loss of traditional rivalries, more travel, no plan for JV/Freshman teams.

The proposal was passed at the WIAA Football Advisory Committee meeting, but failed at the Sport Advisory Committee meeting.

Future Action: WIAA Board of Control votes on January 27<sup>th</sup>. Survey of Schools from the Board of controls before they vote. Deerfield supports realignment of conference as long as it isn't implemented until 2011/2012 school year.

2. Winter Sports Update:

Wrestling team is undefeated in conference . Girls basketball is currently 1<sup>st</sup> place in conference and undefeated. The Boys basketball team is 2-1 in conference.
