

Deerfield Middle School-7th Grade Supply List

Our supply list is designed with the intention of aiding students in their organizational skills. **Please purchase these specific items by the beginning of the school year so that students can get started on the right foot.** School supplies are much less expensive in late summer, so parents are strongly encouraged to purchase extra supplies to be used later in the school year. You may also want to think about having a set of supplies at home so that all materials do not need to travel back and forth daily (think calculator, paper, pencils, ruler, pens)

- 1 **large 3 ring binder** (Trapper Keeper type or open binder)
- 1 **1-inch 3 ring binder** for Math
- 1 set of 5 or more **folder type index dividers**
- 2 **pencil cases**, 3-hole punched, one for each binder
- 1 **folder** for Tech Ed.
- 1 dozen **pencils**, or several mechanical pencils, **with erasers** (we recommend mechanical pencils because they do not require a sharpener)
- 1 package of **pens, blue or black ink!**
- Extra lead** for mechanical pencils
- 2 **colored ink pens** for correcting
- 1 **transparent ruler** with metric and standard units (nice if it is 3 hole punched)
- 3 packs of 3 x 5 **index cards**, (minimum of 150 cards)
- 2 full size boxes of **kleenex/tissues**
- 1 large or 2 small **glue sticks**
- 3 rolls of **scotch tape in dispensers**
- 5 **composition notebooks-Not Spiral** (2 for Science, 1 each for Literature, Lang. Arts, and Social Studies)
- 1 **steno notebook** for spelling
- 1 set of multicolored **highlighters**
- 1 set of **colored markers**
- Scissors-Adult size**

Technology needs at school:

- 1 **scientific calculator** (not graphing), recommended a **TI-30Xa**, by Texas Instrument, though other brands work. It helps students if their calculator has the same buttons, symbols, and functions as the other students in their work groups. Please make sure that the calculator has a **fresh battery**.
- 1 **USB Flash Drive** for Computer Applications Class as well as for saving and transferring documents between home and school, and from computer to computer. **1 GB** minimum please. It is important that students have their own flash drive so that they have control of their own work.

Deerfield Middle School-8th Grade Supply List

Our supply list is designed with the intention of aiding students in their organizational skills. **Please purchase these specific items by the beginning of the school year so that students can get started on the right foot.** School supplies are much less expensive in late summer, so parents are strongly encouraged to purchase extra supplies to be used later in the school year.
